Delaware General Comments

- Closing these Reserve Component facilities is offset by the construction of a modern AFRCs that will be the right size and design to support the Guard and Reserve units that will be stationed there. Transforming RC facilities in Delaware will improve training, readiness and quality of life for more than 504 RC soldiers, full-time unit support personnel, and their families

Reserve Component

Gains:

- Build 1 new Armed Forces Reserve Center

Losses:

- Close 2 Army Reserve Centers
- Close 1 National Guard Armory with State permission
